

2021-2025 Rule Review Plan for State Board of Education Rules by Date
(Approved June 2021)

Texas Government Code, §2001.039, requires a four-year rule review cycle for all state agency rules, including State Board of Education (SBOE) rules. The rule review is designed to ensure that the reason for adopting or readopting the rule continues to exist. It only includes rules currently in effect at the time the plan is adopted.

Texas Education Code, §28.002(m), exempts the Texas Essential Knowledge and Skills (TEKS) from the rule review requirement; accordingly, this rule review plan does not include the rule chapters for the TEKS. Although the rules will not be reviewed as part of the rule review process, the SBOE conducts a review of the TEKS on a schedule determined by the SBOE.
