ELAR K-3: Reading Comprehension

1.TEKS Alignment

Does the assignment align with grade-level standards?

- The assignment includes an opportunity for students to demonstrate the knowledge or practice the skill(s) as outlined in the grade-level TEKS.
 - 1.2 The assignment includes an opportunity for students to independently read grade-appropriate text.

2. Text Complexity

Does the assignment require the use of high-quality, complex text(s)?

The assignment includes an opportunity for students to access and engage reading skills with texts that are grade-level, well-crafted, and are of publishable quality.

3. Knowledge and Coherence

Does the assignment help students build knowledge and vocabulary?

- The assignment includes an opportunity for students to build knowledge in the fields of science, history, literature, and/or the arts.
 - 3.2 The assignment includes an opportunity for students to engage in purposeful use of key academic vocabulary.

4. Text-based Responses

Does the assignment allow students to engage in rigorous tasks requiring text evidence to deepen their understanding of complex text(s)?

- The assignment includes an opportunity for students to evaluate the structure, language, key ideas, details, craft, purpose, and/or theme of high-quality text(s).
- The assignment includes an opportunity for students to use evidence from the text to demonstrate comprehension, justify their thinking, and/or support claims.
